

# EXPLORE A CAREER IN STRATEGY & CONSULTING | ACCENTURE

## VIDEO TRANSCRIPT

We are in constant motion evolving, never still.

Making great strides toward a future, shaping  
right before our eyes.

At Strategy and Consulting,

we see this clearly through a lens of experience  
and deep insight

For today, technology and innovation enlightens

Tomorrow, it disrupts

And so, we've made technology our foundation

combining the best of human and machinery

transforming how companies operate

by leveraging on cloud services,

and making decisions through insights,

harnessed by the power of data and ai.

defining and designing solutions

at speed and at scale for our clients,

in all their industries,

in all their geographies –

to bring valuable powerful change

to communities,

to societies,

and to the people of this thriving planet.
