

Dear Mr/Mrs Name

It gives us great pleasure to invite you to the finance executive roundtable where we will discuss "High performance finance organizations – challenges and changing priorities for the finance function" in the round with finance executives from the top 100 Swiss companies.

You can expect from this roundtable a valuable discussion around the following topics:

- What are the characteristics of high performance finance organizations?
- What are the current challenges and priorities for high performance finance organizations?
- How does Novartis Pharma approach the current challenges to improve cost and capital effectiveness?

Our guest speaker will be Jonathan Peacock, Chief Financial Officer of Novartis Pharma. He will share his point of view with the participants on leading changes to improve cost and capital effectiveness. Mr. Peacock will be supported by Accenture's host Christian Campagna, Head of Finance & Performance Management in Switzerland, Germany and Austria.
