

ACCENTURE WHEEL OF CHANGE PART 2: I&D

VIDEO TRANSCRIPT

/intro/

Kasia: Hi, I'm Kasia.

Eugenia: My name is Eugenia.

Michał: I'm Michał.

Patryk: Hi, I'm Patryk.

Eugenia: First of all, inclusion and diversity mean respect.

Kasia: We're all different. And thanks to our differences we can learn from one another.

Patryk: First of all, authenticity. People that we work with every day – their experience and opinions on different matters – might open our eyes to many issues that we tend to neglect or forget about.

Kasia: Diversity and inclusion are among our most important values at Accenture.

Michał: Everyone creates a friendly atmosphere. I feel that my opinions are always included.

Patryk: There are no teams without openness and there are no teams without diversity.
