

ENTER THE DIGITAL RETIREMENT AGENCY

Video Transcript

It's a digital world where mobile, social, data and analytics are changing how we work and live. Where people expect personalized service experiences how, where and when they want them.

Where everything runs in the cloud and security concerns are paramount. And industries are feeling the pressure to deliver new services in new ways.

Pensions agencies are no exception.

What was good enough yesterday is not good enough anymore. So how can pensions agencies thrive in the New while balancing fund sustainability and benefit adequacy?

They can become digital retirement agencies.

The journey has four phases: Define, Imagine, Enable, and Sustain.

INTO YOUR NEW

There's never been a more exciting time for pensions agencies to reinvent themselves. Digital, different, and dynamic.

This is success in the New. This is the digital retirement agency.
