

# MANIFESTO

## VIDEO TRANSCRIPT

Go beyond!  
What does it mean?  
Setting new goals and achieving them?  
Creating long-lasting value?  
Acting for impact?  
For sure!

It's all about bringing your skills, your curiosity,  
and your best true self to your work. As a  
result, you're changing yourself, the  
community, the region, and the world.  
That's incredible!

At Accenture we support this will to change.  
Change the perspective and follow your purpose every  
day.
