

PREPARING THE NEXT GENERATION FOR A DIGITAL FUTURE | ACCENTURE VIDEO TRANSCRIPT

Musica di sottofondo

What ways does your brain work?
Are you a thinker?
And a tinkerer?
A take it apart-er,
'Can't wait to start'-er?
Do you like diving in?
Or planning every step?
Do you dream it, then do it?
Sketch it out or talk it through
Lone wolves
And leaders of the pack
Makers,
Creators,
Connectors,
Storytellers.
It takes all sort of people
Ideas and technology
To change the world.
And that's what we do together at
Accenture
We've help hard of hearing students
Feel music,
Used AI to help save coral reefs,

And the help the girl scouts keep track
Of their cookie sales.
We're using technology
And imagination
To do amazing things together
And we all started off dreaming just like
you
