# Strategy MBA

Join us at the crossroads  
to use you MBA skills and  
Be Greater Than.

**Ryan Pearce:** Accenture Strategy brings together three of our worlds: our industry strategists, our functional strategists and our IT strategists.

**Sonia Gupta:** Accenture strategy is a trusted advisor. We solve issues at the heart of our clients' businesses that will help them become future ready.

**Daniel Benton:** It's really critical to link a strategy capability, the thinking part, with the execution, the doing part. And the good news is at Accenture Strategy, we can do both.

**Claire Yang:** Accenture is at the leading edge of innovative thinking to really define the issue, and define the value.

**Daniel Benton:** Business and technology strategy have now converged, and to some extent the business strategy debate, is about how do people create new value, out of some of the new technology.

**Ryan Pearce:** As an MBA hire you should be prepared to be part of a dynamic team. You will have the ability to experience client engagements that excite you, that motivate you, and that drive you

**Daniel Benton:** To be right at the core of setting exciting new strategies around business and technology at some of the biggest companies around the world.

**Claire Yang:** Accenture offers entrepreneurship and innovation, and exposure, but also give you a large platform to really develop yourself.

**Sonia Gupta:** At Accenture Strategy, you really are three things: you are one part futurist—you're constantly thinking about the future of the industry or marketplace. You are one part pragmatist—you have to really think about what will work, and you are one part strategist, where you bring this all together.

**Ryan Pearce:** What makes Accenture different for an MBA hire is their ability to drive their career growth and have diversity amongst experiences.

**Daniel Benton:** Extraordinary access to the most senior levels of our clients who want to hear what we want to say.

**Sonia Gupta:** Here is your chance to convert it into a reality that you can actually see, in the marketplace.
