

The Supplier's Guide to Invoicing Accenture

Dear Supplier,

Thank you for providing goods or services to Accenture. This guide contains important information about:

- **Establishing and maintaining your Accenture supplier profile;**
- **Special instructions for purchase order invoices;**
- **Preparing invoices for Accenture;**
- **Submitting invoices to Accenture;**

1. Establishing and maintaining your Accenture supplier profile

Make sure the details we have on file remain current. Please notify Accenture immediately by contacting procurement.support@accenture.com if there are any changes to the following:

- Mailing address;
- Purchase order receipt email address;
- Contact information;
- Bank information;
- Phone or fax.

2. Special instructions for Purchase Order invoices

It is very important when supplying goods or services to Accenture, to do so only upon **receipt of an official Purchase Order (PO)**. At the discretion of Accenture, goods or services received without an official purchase order would risk non-payment, unless an alternative arrangement has already been agreed with our procurement function. You can contact Accenture Procurement at procurement.support@accenture.com.

Accenture's official Purchase Orders will be sent via email notifications from Accenture's procurement tool, Ariba Buyer, bearing the senders address: Accenture.Purc.Order@accenture.com. Please ensure you are able to receive emails from this address accordingly.

Other special instructions

- If you are providing goods and services to Accenture under more than one Purchase Order, you must invoice for each separately. Only one Purchase Order can be referenced per invoice.
- The format of the invoice must match the format of the Purchase Order. The following guidelines should be observed:
 - Reference the appropriate purchase order line item number for each line item on the invoice;
 - For goods, the total for each line must represent the extended amount for that good;
 - Charge for services and expenses must be itemized on separate lines;
 - Always review the '**comments**' section on the Purchase Order for additional processing instructions;
 - Always quote the Purchase Order number (which starts with 6XXXXXXXX).

Please do not:

- Mark the purchase order number with a highlighter as this affects the quality of our invoice scanning;
- Handwrite the Purchase Order numbers on the invoice (where possible);
- Quote the Purchase Requisition number (which starts with PRXXXXXX).

3. Preparing invoices for Accenture

When preparing invoices, please ensure you include the following information:

- Title 'Tax Invoice' prominently displayed;
- Supplier's full legal name and address;
- Supplier GST Number (Tax File Number) of the entity issuing it;

- Accenture Purchase Order number beginning with 6XXXXXXXXX where the goods or services are provided against a purchase order if any;
- Supplier contact details (i.e. email and phone) and name of your accounts receivable representative;

Complete banking details for Accenture to pay the invoice:

Kindly submit your invoices within five business days from the invoice date. All invoices should be sent only once in a soft copy (in a non-manipulative format, e.g. PDF, TIF, JPEG) directly to acn.inv.newzealand@accenture.com.
