High performance. Delivered.

## Accenture Agribusiness Center of Excellence

A country that brings the best of natural resources and technology for agribusiness...

...now has a unique, global center focused on delivering high performance to this industry.

...connect with experienced industry professionals that are part of a global network of innovation centers in Europe, Asia and the Americas.

...and experience the greatest array of solutions that Accenture brings to the agribusiness industry.

### Gianfranco Casati

Group chief executive-Products, Accenture

"Welcome to our Global Center of Excellence for Agribusiness."

### Fabio Vacirca

Global managing director-Consumer Goods & Services, Accenture

"This is an open space where we will develop new ideas and solutions for all the subsectors of the agribusiness industry."

### Roger Ingold

Country managing director-Accenture in Brazil

"The agribusiness sector, much like Brazil, is undergoing an extremely positive transformational moment. Accenture is very pleased to be part of this process, offering integrated solutions for the agribusiness industry to our clients, our country and the rest of the world."

### Eduardo Barros

Executive director-Global Agribusiness, Accenture

"Accenture is proud to offer its vision on best practices and technologies for the industry."

- Showcasing industry research and thought leadership
- Integrating agribusiness best practices into our solutions
- Delivering emerging technology demonstrations
- Hosting client-focused workshops
- Helping clients innovate beyond their traditional comfort zone

## Silvio Barboza

Executive director–Products in Latin America, Accenture

"Accenture has a deep knowledge of the agribusiness industry and is able to bring innovative solutions to our clients, improving operational efficiency, reducing risks and delivering results."

## Teo Correia

Executive director–Consumer Goods & Services, Accenture

"The Accenture Agribusiness Center of Excellence embodies our high performance spirit and conveys all the support we can offer to our agribusiness clients."

We help clients with their strategic priorities:

- Leveraging analytics
- Risk management
- Supply chain and logistics planning
- Operational excellence

## Craig Rea

Managing director–Products in Europe and Latin America, Accenture

"The sum of deep industry knowledge, the application of technologies and the best talents are the key factors for ensuring a high level attendance for our clients."

Our team will help you establish a pragmatic action plan:

- for process improvements or innovation
- for both downstream and upstream operations

We deliver specific tools for agribusiness:

- Capital investment management
- Risk control
- Agricultural automation
- Asset management
- ERP accelerators
- Sustainability
- Traceability

With this center, Accenture reinforces its commitment to Brazil and to the rest of world by developing deep knowledge of the agribusiness industry. This is a very important step for us, in a geography that has a crucial role for our company and is a benchmark for this industry.

We invite you to come and experience innovation in our Agribusiness Center of Excellence in Sao Paulo, Brazil.
