High performance. Delivered.

Business and Systems Transformation at CVC Viagens

Video Transcript

Speaker: CIO, CVC Viagens, Miguel Alcântara

Accenture is helping CVC Viagens to transform finance processes and systems, enhance legacy systems and prepare the company for an initial public offering.

The program involves a financial shared services organization design and implementation as well as a core operational process redesign and implementation of Oracle E-Business Suite R12.

Miguel Alcântara, CVC, it's a tourism and leisure company, in Latin America with almost 750 stores.

Business Challenge

Accenture is helping us to understand

the best processes and the best way to go to the market.

Why Accenture?

We select Accenture based on the strong experience in the industry, and the history of success in major projects.

The level of the professionalism, the skills are amazing; and with the best people we can get the best results.

They really spend time trying to understand the priorities of my company and the business needs, and they try to put these together and deliver something that really makes a difference to my company.

How Accenture Helped

Accenture started one year ago helping us to review the sales process, the

distribution, and their relation with the company.

High Performance Delivered

Accenture have great experience in this business and they are bringing to us a lot of good experience to deliver best quality.

I think their close relationship with the team can bring us new ideas and new concepts to our industry.

Our thanks to:

Miguel Alcântara
CIO
CVC Viagens
