High performance. Delivered.

Accenture Innovation Centers for Mobility

Video Transcript

Mobility, part of Accenture Digital, can help you grow your business in entirely new ways.

We're helping our clients leverage mobility not only to connect with customers but also employees, businesses and machines on web-enabled devices of every kind.

With critical experience in mobile solutions in industry after industry:

- Automotive
- Banking
- Chemicals
- Communications

- Consumer goods
- Electronics and High Tech
- Energy
- Health
- Hospitality
- Insurance
- Life Sciences
- Media and Entertainment
- Natural Resources
- Public Service
- Retail
- Utilities

We can help create opportunities that increase productivity, enhance collaboration and drive more transactions.

Our Accenture Innovation Centers for Mobility enable companies to experience the power of mobility firsthand and learn about the latest mobility trends and innovations.

Explore mobile technologies in an engaging and interactive way. Collaborate with Accenture experts on how your business can embrace mobility to deliver measurable and sustainable results.

Drawing from the full breadth of our latest assets, client experiences and research, the centers offer exciting and thought provoking workshop

topics and live demonstrations of mobility concepts, technical solutions and business solutions by industry such as:

- Connected Vehicle
- Mobile Wallet, Payments and Loyalty
- Sales and Field Force Enablement
- Connected Home
- Mobility Strategy Accelerators
- Application Development and Testing Tools
- Mobile Security – and more

The Accenture Innovation Centers for Mobility hosted over 350 visits last year with clients from all geographies and industries. Hear

what some of our clients had to say about their experience:

“Great broadening session to bring together critical minds.”

“The workshop and activates were well-planned and drove everyone to the end goal. Before everyone within the company was working in their own silos but now we are all moving in the same direction.”

“It is always a good sign that a workshop is going well when I looked at my watch and wished we had MORE time.”

With convenient locations around the world from Beijing to Barcelona,

Sydney to San Jose, Helsinki to Bangalore, and more. Our innovation centers are open and ready for your visit.

At Accenture, our Mobility services are based on deep industry insights and technical expertise that helps our clients achieve growth, efficiency and manage a successful transformation as they adopt the tools of a digital business.

That’s high performance, delivered.
