Accenture Operations for
the Consumer Goods and
Services industry

We helped a global retailer reduce "speed-to-shelf" time for select products by up to 50 percent

We helped return more than 60,000 manager hours a year for a global clothing manufacturer by streamlining recruitment and hiring services.

We helped a leading fragrance and flavor company implement improve service levels and compliance by rolling out a new Procurement Support Center within 8 months

We helped a global retailer increase its digital marketing footprint and save costs by executing an interactive production management program.

Thanks to our Operations team bringing extensive, specialized experience to our CG&S clients.

A pioneer in Outsourcing, with more than 21 years of experience, we help CG&S clients across the world serve their consumers and customers better. Across multiple industry sectors-Food, Fashion, Beverages, Home and personal care and Consumer Health.

Accenture Operations helps clients achieve high performance.

Our Next-Generation Operations focus combines analytics, domain expertise, technology and industry knowledge to drive innovation for CG&S clients

We have globally connected people actively collaborating on 'Industry Communities of Practice'

Our Business Advisors have extensive industry experience and use it to uncover insights from clients' data to make recommendations that drive tangible business results-These initiative help CG&S clients address business challenges like:

- Revenue enhancement and Operating cost reduction
- Customer and consumer acquisition plus retention
- Working capital optimization

With unmatched industry experience, analytical skills and global delivery capabilities...

We are helping our clients move from challenges to outcomes
