

# 2017 ACCENTURE STUDENT LEADERSHIP CONFERENCE VIDEO TRANSCRIPT

This is the 27<sup>th</sup> year of the Student Leadership Conference.

Discover, innovate, lead means finding yourself in your own identity as a leader.

It really does feel like a family here.

When everyone in this room begins working together, there is no limit to what you guys can do to solve your clients' toughest challenges and to deliver transformational outcomes.

Learning how to trust your team even though you just met. We are just coming together and finding our different strengths and weaknesses and becoming a better team as the week progresses.

Team atmosphere.

Everyone is super enthusiastic and really into everything, which makes it so much better and like team building and all that was a lot of fun.

If you think being a leader is about executing and getting all the stuff done, the relationship part made me who I am today as a leader.

This session was all about focusing on your strength and finding your own way as a leader. It has been really good.

How would you describe SLC?

Energy.

Synergetic.

Innovators.

Spectacular.

SLC is lit.

It has been an amazing weekend.

Honestly, best, best weekend.
