

JOURNEY TO CLOUD

VIDEO TRANSCRIPT

We're on a journey at Accenture
We've already worked hard to become a leading cloud business – an organisation that's known as being industry leaders.

["WHEN YOU TRY TO GO ON THE CLOUD, YOU CAN'T JUST SAY 'HEY WE'RE GOING TO GO ON THE CLOUD.' YOU SAY 'LET'S BRING IN ACCENTURE' Jim Cramer CNBC]

And always believed that Cloud could be the foundation for success and fuel for growth.
So, from the very start, we created a global team who could deliver this innovation at scale.
five million seats
And in just two years, not only did they help us grow our cloud footprint
[10 million Windows upgrades delivered].

they also delivered some spectacular results...
[1.6 million workloads]

And some incredible projects
like a portal that handles 150,000 healthcare claims every hour.
The overhaul of a major insurer's entire infrastructure

And the delivery of a live streaming sports app with millions of fans

But our journey isn't over.
[Accenture's journey to cloud]

Our success means we need even more talented people to join us.

People who don't want to see just a part of a solution – but an entire project [entire project] through from strategy to delivery

People who believe in innovation first [innovation first] – and want to use every available tool to deliver the right result for clients.

And people who can bring the [expertise and insight] - expertise and insight our partners are looking for, supported by the latest training and certifications for every major platform in the Cloud ecosystem.
[Amazon Web Services, Microsoft Azure AND Google]

If this sounds like you, why not join the impressive team of cloud experts we already have working for us?

[40,000+ employees]

Change how we all live and work through the cloud...

Be part of transformational projects on an epic scale...

[epic scale]

Be Yourself and Make a difference.
