### Jérémy

### Business & Integration Arch Manager

**Question:** Hi Jérémy we are curious, golf or basket?

**Jérémy:** Definitely Basketball, I have been playing since I'm 13 years old and I like 2 aspects about it: first the fun with the teammates and the drinks after the game but also the competition. Giving 100% to win the game and doing that 3 times a week with the game at the week-end.

**Question:** Why Accenture?

**Jérémy:** I met some people at the job fair and I was really enthusiastic about their drive and culture and willingness to give 100%, that really motivated me.

**Question:** How have you evolved since joining?

**Jérémy:** I have learnt a lot because I started as a graduate from University and Accenture gives a lot of opportunities to grow as a person but also as an employee and to work with great people.

**Question:** The best lesson life has taught you?

**Jérémy:** If you want something you have to chase for it because people will not offer it to you on a plate.
