**TECHNOLOGY VISION 2017:
AMPLIFY YOU**

Amplify You
#TechVision2017

Today's digital revolution has created
The age of human empowerment
Where the symbiotic relationship
Between man and machine
Creates a future driven by technology
That works with us
That is designed to
Amplify our desires and goals
This future is powered by AI-enabled systems
That grants us access to unprecedented Innovation
Where design and human behavior
Is at the heart of Technology
The future is now
