Hi! My name is Nicola, I'm the Graduate Recruitment lead for Accenture New Zealand. I'm here today to talk you through our application process just to calm any nerves you might have.

Applications open on 1st of February through to the 1st of March so apply now and get in early.

Following a phone interview, you'll then be invited to attend an in person interview in one of our Accenture offices with someone from the business. This is to find out more about your motivation for applying for Accenture and your understanding of what we do.

Following the business interview, if successful, you'll be invited to attend our Accenture Adventure event which is a fantastic one-day event we hold every year in Wellington, if you're not based in Wellington then we'll fly you down.

Following Accenture Adventure, if you're successful, we will then extend a verbal offer over the phone followed by a written version via email. That will include things like role title, location and salary and benefits.

Following your offer, then you'll receive further information about Accenture and we'll welcome you to the Accenture family.

Please go to our website for more information on Accenture, what we do and also hints and some advice on our application process.

Goodluck.
