

CONSULTING ANALYST PROGRAM

VIDEO TRANSCRIPT

Andrew Vo (Head of HR Asia Pacific, Africa, & Middle East, Accenture)

Taking the first step in your career is a big decision. Some people know exactly what they want to do, others are keen to explore a diverse set of experiences and skills.

Accenture Consulting Analyst Program (CAP) provides you with the opportunity to work across a variety of industries and it gives you the choice to drive and shape your own career. We specifically designed this program to enable and empower you to make an impact from day one.

As an incoming CAP analyst, you'll be part of a community of collaborative professionals surrounded by mentors and leaders who are committed to serving as stewards throughout your career.

Your personal and professional development are key priorities at Accenture. Through CAP, your training and client exposure will enable you to build highly relevant consulting skills and unlock your true potential.

Grow as an innovator here at Accenture and help leading clients address their most pressing challenges in order to succeed in today's digital age. Launch your career at Accenture today and begin your journey to impact and transform businesses globally.
