### BANGKOK, THAILAND (ASEAN)

Accenture Elevate Experience

53 candidates

12 hours

**[Supiya Balakul, Managing Director, Products, Accenture in Thailand]:** In fact, Accenture Elevate Experience is the first event organized here in Thailand to afford candidates opportunities to learn the Accenture way of working to solve problems for clients, both the process and methodology used. Candidates are able to brainstorm as teamwork to find the best solutions or recommendations for our clients. Moreover, they have the opportunities to present their works to clients at the end of the day.. At the presentation, Accenture seniors with long work experiences are on hand to give feedbacks and evaluate the work as well.

**[Sirirath Chunnasart, Adolescents and HIV/AIDS officer, UNICEF Thailand]:** Today, business case consulted with Accenture is Love Care Solution, which is at the cooperation between UNICEF and Plan2Health Organization, as online platform to provide information on various teen health changes where they themselves can search for information.

**[Suchaya L.]:** This truly elevates. We have such exciting activities!

**[Apiwich T.]:** We have learnt a lot, starting from discovering problems, finding solutions to achieve our goals, with seniors help and advice, so that we can develop further.

**[Pam]:** Personally, I prefer the session to discover client needs, what can be employed as users in specific cases, As We step back to consider what and how clients can use in real life. Better and more applicable solutions are developed.

And the award goes to
