Walgreens Boots Alliance

On a special edition of Pivot to the Future...

You're driving a mega transformation. I mean, a proper, end-to-end, rethinking everything about the business.

Author and Accenture executive, Omar Abbosh, in conversation with Alex Gourlay, co-COO of Walgreens Boots Alliance.

Our real strategy is to create this concept of a neighborhood health care destination. The word "care" is at the center of what that is.

How the retail giant is disrupting the health care industry and retaining its best employees.

People who care, care. They're happy caring and when they get into an organization where they're allowed to care, they sort of stick around.

Listen to Walgreens' prescription for success.
