[Music]	00:34
00:02	1/4 of positions in tech computer in
it's my pleasure to welcome you all	00:39
00:05	math or women so that's a really big gap
today to develop her all-female	00:42
00:07	we have to close we need really more
innovation challenge we believe that	00:47
00:10	women to be in fact now it's not only a
women have the potential to make a	00:51
00:12	male Straub we need to
lasting positive impact to acknowledging	00:54
00:18	we can do it
[Music]	00:58
00:21	so you're just as capable as men in our
how	01:02
00:22	ability to be to eat
our fellow women and empower them to be	01:04
00:25	also to learn new technology I mean
there at their best	01:07
00:27	everyone should be represented in fact
these are some of the question that	01:08
00:29	it's actually because if you think about
we'll be discussing more and when the	01:11
00:31	it in products again under one eye then
panels are you see here up on stage only	

01:13
lilamon focus on one demographics so if

01:16
you think about if if there is an

01:17
imbalance let's say human animal world

01:20
how can they actually create solutions

01:22
that is necessary for women seen

01:26
phenomenal an error of the maintainer

01:27
around Oh Anna Lilla it's important for

01:30
us to have a horrible so that women can

01:33
also see that TV lung

01:37
Martha's our group of figures but

01:39
there's also a lot of women leaders in

01:43
technology that we can model after

01:46
when you have like a strong group the

01:51
women empowering you you can easily get

01:55
into tech six companies now but then

01:58
they own support system forward if you

02:01
need anybody like you are a sacrifice a

02:03
cloud or you want to ship to another I

02:05
know you have a support system that's

02:07
there and basically those are

02:10
whether it's in your company or outside

02:12
back to me

02:13
[Music]

02:18
all three disciplines must evolve within

02:20
24 hours a technology that will help to

02:23
solve this problem

02:30
[Music]

02:43
are you guys sick to find out who won

02:46
the 100,000 entered special prizes as

02:50
well worthy for winning the best

02:52
beginner

03:00
we're winning the most innovative
