

HVORDAN ER DET Å VÆRE SUMMER INTERN I ACCENTURE NORGE?

VIDEO TRANSCRIPT

Voice: We got some fresh young new talent.

Accenture Summer Internship 2018.

After the voiceover the video starts by showing our interns meeting for the first time, then a selection of snippets from the different projects.

First, some workshop at our offices. Then a field trip to a customer's ship, followed by a summary of social activities eating ice-cream, playing volleyball and mini golf.

Halfway into the video we see the students presenting how far they have come with their projects, followed by additional social snippets of grilling in the park, paint'n sip and our annual boat trip in Oslofjord.

The video ends with the final presentations and a group picture of all the interns gathered in Oslo's iconic Frognerparken.
