VOICEOVER
<p>Change is all around us! It is the most dynamic, powerful source of progress. Especially in today's times.</p> <p>Hello, I am Harsha Almad, the Business Change &amp; Agility Lead for Strategy &amp; Consulting, Capability Network at Accenture.</p> <p>Here, we work at the heart of modern change helping our clients navigate their transformational journey. Be it new age topics like cyber security, journey to cloud or predictive change, this is the place to be.</p>
<p>Accenture works with top Fortune 500 companies in 40 different industries spread across 120 countries.</p> <p>From working with a Japanese hi-tech organization on a first-of-its-kind 5g cloud transformational journey to bringing a US healthcare giant on a unified patient care services platform, our consultants have had the opportunities to travel and partner with clients across multiple geographies.</p>
<p>In my 14 years at Accenture, I have had the chance to explore a purpose-led global career. The ability to work with global clients to solve some of the most complex businesses challenges has been fulfilling professionally and enriching personally.</p> <p>I have worked with a diverse group of – Innovators, Storytellers, Designers, and Influencers. And respecting this diversity is what makes us a fun and inclusive workplace!</p> <p>Our people are our most valued assets and we believe in investing in them deeply.</p>
<p>If you are passionately curious, fascinated by tech and innovation then I invite you to be a part of this dynamic team.</p> <p>We are looking for talented Consultants like you for this modern change journey.</p>
<p>Sounds interesting?</p> <p>Join us, be the change!</p>
