Accenture Operations

Embark on your own career  
adventure with Accenture

And make an impact

On your life

In your community

Around the world.

### Accenture Strategy

Shape the future at the intersection  
of business and technology

Help clients improve

Core c-suite issues

Growth and innovation

Operating models and cost  
structures

Talent and leadership

### Accenture Consulting

Bring together the best of Accenture

With industry expertise, insights,  
and consulting capabilities

To help transform the world's  
leading companies and  
governments

In one of five industry groups

Communications, Media &  
Technology

Financial Services

Health & Public Service

Products

Resources

### Accenture Digital

Unleash the power of digital to  
transform business

Help clients improve customer  
experiences

Create new products and business  
models

And deliver optimized internal  
operations

### Accenture Technology

Help clients harness the power of  
technology

To drive innovation and  
improvements

Across technology ecosystems and  
delivery

### Accenture Operations

Help clients achieve tangible  
outcomes fueled by technology

And underpinned by analytics

Transform, build and operate IT  
infrastructure

And business processes on behalf  
of clients
