Video Transcript

Priyanka

I joined the Capability Network Resources practice in 2013 as an analyst.

Since then I have worked on variety of clients including diamond clients for Accenture.. a variety of project teams and it's been a wonderful journey so far.

Bhartanatyam which initially started as something as a must to do as a child has now become a very important creative outlet.

It helps me bring creativity to work.

Dance is a very very important part of my life and I hope to continue with it as long as I can.

I think Accenture is a very diverse employer and they do allow a lot of flexibility in work.

Accenture gives you that opportunity to pursue those passions or hobbies that you really come to work with and I am really fortunate and proud to be part of Accenture.
