

MYNAV FROM ACCENTURE

VIDEO TRANSCRIPT

What could the cloud do for you? Your business?
What if you knew the best options and how to
proceed before you committed to a solution?

Is that possible?
Yes.

With myNav from Accenture.

With myNav, you can see the complexities...
Solve for the complexities...
And simulate your very best cloud option...
with an end-to-end view to help make the right
decision...
without spending a ton of time and money.

Only myNav provides you with a complete
perspective you need to navigate the cloud.

From discovery and assessment...
To determining the right cloud architecture
leveraging the insight from our 30,000+ cloud
projects...
To simulating your solution at scale, to test its
real value to your business when it's deployed.

Lowering your risk.
Maximizing investments.

Research shows that two-thirds of companies
aren't seeing the expected benefits from their
cloud migration.

Isn't it time you tried something different?
Isn't it time you tried something better?

Find out what the right cloud solution can do for
your business.

With myNav.
From Accenture.
