- If you are issuing a credit note against a cancelled invoice, kindly quote the corresponding invoice reference against which the credit note is being issued; alternatively, please quote complete details for issuance of the credit note to enable us to account for it appropriately.

2.4 Special Instructions for Purchase Order (PO) Invoices

- It is very important when supplying goods or services to Accenture, to do so only upon receipt of an official Purchase Order (PO). At the discretion of Accenture, goods or services received without an official purchase order would risk non-payment, unless an alternative arrangement has already been agreed with our procurement function. You can contact Accenture Procurement at procurement.support@accenture.com.
- Accenture’s official Purchase Orders will be sent via email or fax notifications from Accenture’s procurement tool, Ariba Buyer, bearing the sender’s address via email: Accenture.Purc.Order@accenture.com. Please ensure you are able to receive emails from this address accordingly.
- Accenture requires a Purchase Order (PO) for all invoices, regardless of value. Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case)
- If you are providing goods and services to Accenture under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO. (For example, the ‘Bill To’ address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please note that a Purchase Requisition Number (“PRXXXXX”) will **not** be accepted, please quote only a valid PO number (eg “60xxxxxxx”).
- Invoice value /quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Accenture requestor to update the PO as required.

2.5 Submitting Invoices to Accenture

NOTE: If you are a supplier who has accepted to invoice Accenture over the Ariba Network, the below guidelines do not apply - you will need to submit your invoices via the Network and not via email or post.

- Suppliers are requested to issue all invoices on a timely basis – at the latest within 30 days after the month in which the associated goods or services were performed or in which such fees, costs, expenses or charges were incurred.
- Kindly submit all invoices within **5 business days** from the invoice date. Invoices received over 30 days after the invoice date – or where the invoice due date has already passed - will be rejected by Accenture, with a request to reissue with a new invoice date.
- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.
- Failure to issue or submit invoices on a timely basis may result in payments being delayed. **In no event shall Accenture be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.**
- Suppliers should send their invoice ‘for the attention of’ the Accenture contact at the ‘Invoice To’ address, unless otherwise directed by their Accenture contact.
 - *The Accenture contact can be found in the Purchase Order: “Requested by: xxx”.*
- Please send an original Hard copy invoice (s) directly to Accenture contact who requested the goods/services or send soft copy of the invoice (s) directly to acn.inv.hk@accenture.com in a non-manipulative format e.g. PDF.

If send invoices by email:

- Please submit 1 PDF document per invoice. Ensure that all supporting information related to a particular invoice is in 1 PDF file only, with the invoice being the 1st page and any other relevant supporting information on the subsequent pages.
- Max 1MB per attachment, Max 20 attachments per mail and Max 10MB per email (including attachments). Do **not** encrypt or digitally sign the emails.
- You will receive a notification on successful submission / rejection of the invoice which will indicate our invoice tracking number (URN#). **This URN# should be used as a reference in all communications regarding your invoice.**
- Please check with customer support team (see section 2.6) before re-submitting any invoices that were submitted earlier. **Invoices sent to non-Accenture mailboxes will be deemed as not received.**
