## 2 Introduction

Dear Supplier, thank you for providing goods or services to Accenture. Accenture always aims to pay suppliers on time, within the payment terms that have been agreed, and will also follow local government regulations where applicable. This can only be achieved with the co-operation of our suppliers – please follow the guidelines outlined in this document to ensure that we can meet these targets.

**NOTE: This guide is not applicable for suppliers using IQN, T-360 & LGI (Electronic form for Large Generated Invoices) modes for invoicing Accenture.**

### 2.1 Establishing and Maintaining Your Accenture Supplier Profile

- Please make sure the contact and payment information Accenture has on file is always current. If your mailing address, Purchase Order (PO) receipt email address, contact information, bank information, or phone numbers change, please notify Accenture immediately by e-mailing [homologacion.aps@accenture.com](mailto:homologacion.aps@accenture.com).

### 2.2 Credit Terms

- Accenture's standard payment terms are **60net days** from the issue date of a valid legal duly submitted VAT Invoice (Refer to '[Submitting Invoices to Accenture](#)', section 2.5), unless alternate payment terms have been agreed in writing with Accenture Procurement Plus. Invoice due dates mentioned on the invoice will **not** be taken into consideration whilst making the payments.

### 2.3 Preparing Invoices for Accenture

Please include all of the following information on the invoice:

#### ➤ **Information of your company:**

- Full legal name of your company or natural person issuing the invoice.
- VAT Identification Number.
- Invoice number / applicable reference number, Invoice date.
- Tax Address.
- Total amount due.
- Detailed description of delivered goods or rendered services (price and quantity, net amount, VAT percentage, VAT amount, gross amount).
- Tax rate or taxes applied.
- Output tax.
- Date of services rendered (if different from invoice date).
- Your complete banking details (Sort code, Swift Code, Account #, IBAN, etc).
- If you are issuing a credit note against a cancelled invoice, kindly quote the corresponding invoice reference against which the credit note is being issued; alternatively, please quote complete details for issuance of the credit note to enable us to account for it appropriately.

#### ➤ **Accenture information**

- Accenture VAT number and general data: street address, city, zip code and country where goods or services were delivered (Refer to '[Accenture Companies](#)', section 2.7).

- Accenture Purchase Order (PO) number **beginning with 60 or 76** on the invoices (where the goods & services are provided against a PO). *Note: Accenture will not be liable for late payment fees if a PO number has been provided to the supplier but not included on the invoice.*
- E-mail address of the Accenture contact who requested the goods or services. *Note: This employee will be asked to confirm receipt of the goods or service and verify the accuracy of the invoice before the payment can be released. This is essential if no PO number has been provided.*

#### 2.4 Special instructions for Purchase Order (PO) Invoices

- Accenture requires a Purchase Order (PO) for **all** purchases. Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case).
- If you are providing goods and services to Accenture under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO (for example, the 'Bill To' address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please note that a Purchase Requisition Number ("PRXXXXX") will **not** be accepted, please quote only a valid PO number (ex "60xxxxxxx").
- Invoice value/quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Accenture requestor to update the PO as required.

#### 2.5 Submitting invoices to Accenture

- Suppliers are requested to issue all invoices on a timely basis. Kindly submit all invoices within **5 business days** from the invoice date.
- Send the original invoice to the following mailbox: [invoices.spain@accenture.com](mailto:invoices.spain@accenture.com)
- Failure to issue or submit invoices on a timely basis may result in payments being delayed. **In no event shall Accenture be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.**
- Please do **not** submit original invoices to the Accenture employee who requested the goods or services. If you need to send a copy of the invoice to your contact at their request, please clearly indicate on the invoice that it is a copy and has already been submitted to Payables. This will help to prevent duplication in our systems and prevent payment delays.
- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.
- Please check with customer support team (see [section 2.6](#)) before re-submitting any invoices that were submitted earlier. **Invoices sent to personal mailboxes or directly to Accenture employees will be deemed as not received**
