3. TERM; TERMINATION; END OF ONLINE SERVICE.

- a) **Term.** The Term will start on the Effective Date and continue through the end of the Term specified in the Order Confirmation, unless otherwise terminated as provided below.

THE FOLLOWING TERMS SHALL APPLY ONLY IN THE EVENT THAT YOU ORDER THE SERVICES DIRECTLY FROM ACCENTURE. If You order from an authorized reseller, then all provisions related to pricing, invoicing, fees, payments and taxes shall be as agreed between You and such reseller and Accenture will not be liable for any agreement between You and any reseller.

- a) **Invoices.** Accenture reserves the right to invoice immediately upon acceptance of an Online Service(s) order. If You require a purchase order document (“**PO**”), in order for Accenture to process Your payment of an invoice, then such PO must include sufficient detail to allow Accenture to accept and accurately fulfil Your order. Any terms set forth in such PO will not be binding upon Accenture, unless expressly incorporated into the Order Confirmation. The invoicing schedule will be as described in the Order Confirmation. Accenture reserves the right to begin invoicing You, even if Accenture cannot provide the Online Services due to Your act, omission or failure to provide required information.
- b) **Fees and Payment.** You will pay the fees (“**Fees**”) for the Subscription within thirty (30) days from the date of invoice unless otherwise mutually agreed to in writing by the parties. All Fees are exclusive of taxes and expenses, which are additional. If any sum is not paid by the due date, Accenture reserves the right, without prejudice to any other remedy, to (i) charge interest on such overdue sum on a day to day basis from the due date until paid in full the lesser of one percent (1%) per month or the maximum rate permitted by applicable law; and/or (ii) suspend the provision of the Online Services upon five (5) days prior notice, until paid in full.

Accenture will invoice applicable taxes as a separate line item. If a transaction is exempt from tax, You will provide Accenture with a valid exemption certificate or other evidence of such exemption in a form acceptable to Accenture in advance of the applicable invoice date. If You are required by law to withhold any tax from your payment to Accenture, You will provide Accenture with original or certified copies of all tax payment receipts or other evidence of payment of taxes by You with respect to transactions under this Agreement. If You fail to provide Accenture with such tax payment receipts, if applicable, then You will reimburse Accenture for any fines, penalties, taxes and other governmental agency charges resulting from such failure.

5. **LIMITED WARRANTY.** Accenture warrants that it provides Online Service(s) using reasonable care and skill in accordance with the corresponding Services Description. The warranty for an Online Service ends when the Subscription ends.

ACCENTURE DOES NOT WARRANT UNINTERRUPTED OR ERROR-FREE OPERATION OF AN ONLINE SERVICE OR THAT ACCENTURE WILL IDENTIFY ALL THREATS OR VULNERABILITIES, CORRECT ALL DEFECTS OR PREVENT THIRD PARTY DISRUPTIONS OR UNAUTHORIZED THIRD-PARTY ACCESS. THESE WARRANTIES ARE THE EXCLUSIVE WARRANTIES FROM ACCENTURE AND REPLACE ALL OTHER WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OR CONDITIONS OF SATISFACTORY QUALITY, MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. ACCENTURE’S WARRANTIES WILL NOT APPLY IF THERE HAS BEEN MISUSE, MODIFICATION, DAMAGE NOT CAUSED BY ACCENTURE, FAILURE TO COMPLY WITH INSTRUCTIONS PROVIDED BY ACCENTURE.

6. **INTELLECTUAL PROPERTY; OWNERSHIP; RESTRICTIONS.** You acknowledge that the Online Services, Service Components and related processes, instructions, methods, and techniques are owned by or have been developed by Accenture and/or its licensors, and that the same shall remain the sole and exclusive property of Accenture and/or its licensors. 7. INDEMNIFICATION.

- a) Accenture will defend, indemnify and hold You harmless against any claims asserting that the Online Services infringe any patent, copyright, trademark, or trade secret of a third party, and will pay any and all damages finally awarded by a court and actually paid by You, or agreed to in a final settlement by Accenture and attributable to such claim. Accenture's obligations under this provision are subject to Your not having compromised or settled such claim and doing the following: (i) notifying Accenture of the claim in writing, as soon as You learn of it; (ii) providing Accenture with all reasonable assistance and information to enable Accenture to perform Accenture's duties under this Section; and (iii) allowing Accenture and its Affiliates sole control of the defense and all related settlement negotiations. Notwithstanding the foregoing, You may participate at Your expense in the defense of any such claim with Your own counsel, provided that Accenture and its Affiliates retain sole control of the claim. You have the right to approve any settlement that affirmatively places on You an obligation that has a material adverse effect on You other than the obligations to cease using the affected Online Service or to pay sums indemnified under this Section. Such approval will not be unreasonably withheld.
- b) If the Online Services are found to infringe, or if Accenture determines in Accenture's sole opinion that the Online Services are likely to be found to infringe, then Accenture will either: (i) obtain for You the right to continue to use the Online Service(s); or (ii) modify the Online Service(s) (including, if applicable, any Service Component(s)) so as to make it non-infringing, or replace it with a non-infringing equivalent substantially comparable in functionality, and in the case of infringing Service Component(s), You will stop using any infringing version of such Service Component(s); or, if Accenture determines in its sole opinion that "(i)" and/or "(ii)" are not reasonable, Accenture may (iii) terminate Your rights and Accenture's obligations under this Agreement with respect to such Online Services, and in such case shall refund to You the pre-paid fees for the relevant Online Services. Notwithstanding the above, Accenture will not be liable for any infringement claim to the extent that it is based upon: (1) modification of the Online Services other than by Accenture; (2) combination, use, or operation of the Online Service(s) with products not specifically authorized by Accenture to be combined with the Online Service(s); (3) use of the Online Service(s) other than in accordance with this Agreement; or (4) Your continued use of infringing Online Service(s) after Accenture, for no additional charge, supplies or offers to supply modified or replacement non-infringing Online Service(s).
- c) THIS SECTION STATES YOUR SOLE AND EXCLUSIVE REMEDY AND ACCENTURE'S SOLE AND EXCLUSIVE LIABILITY WITH RESPECT TO CLAIMS OF INFRINGEMENT OR MISAPPROPRIATION OF ANY INTELLECTUAL PROPERTY.

8. CONFIDENTIALITY.

- a) "Confidential Information" means, for purposes of this Agreement, the non-public information provided by a party ("Discloser") to the other party ("Recipient") related to the business opportunities between the parties, provided that such information is: (1) identified as confidential at the time of disclosure by the Discloser, or (2) if the initial disclosure is not in written or other tangible form, the Confidential Information will be so identified at the time of disclosure and reduced to written or other tangible form, appropriately marked and submitted by the Discloser to the Recipient as soon as reasonably practicable thereafter, but no later than thirty (30) days after disclosure. Confidential Information of Accenture shall include product architecture, product research and development plans, non-public financial data and

roadmaps, whether marked as confidential or not. A Recipient may use the Confidential Information that it receives from the Discloser solely for the purpose of performing activities contemplated under this Agreement. For a period of five (5) years following the applicable date of disclosure of any Confidential Information, a Recipient will not disclose the Confidential Information to any third party. A Recipient will protect it by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized use, dissemination or publication as the Recipient uses to protect its own confidential information of a like nature. The Recipient may disclose the Confidential Information to its affiliates, agents and subcontractors with a need to know in order to fulfill the purpose of this Agreement, under a nondisclosure agreement at least as protective of the Discloser's rights as this Agreement.

- b) This Section imposes no obligation upon a Recipient with respect to Confidential Information which: (i) is or becomes public knowledge other than by breach of this Agreement; (ii) was in the Recipient's possession before receipt from the Discloser and was not subject to a duty of confidentiality; (iii) is rightfully received by the Recipient without any duty of confidentiality; (iv) is disclosed generally to a third party by the Discloser without a duty of confidentiality on the third party; or (v) is independently developed by the Recipient without use of the Confidential Information.
- c) The Recipient may disclose the Discloser's Confidential Information as required by law or court order provided: (1) the Recipient promptly notifies the Discloser in writing of the requirement for disclosure, if legally permissible; and (2) discloses only as much of the Confidential Information as is required.
- d) Each party will retain all right, title and interest to such party's Confidential Information. The parties acknowledge that a violation of the Recipient's obligations with respect to Confidential Information may cause irreparable harm to the Discloser for which a remedy at law would be inadequate. Therefore, in addition to any and all remedies available at law, Discloser will be entitled to seek an injunction or other equitable remedies in all legal proceedings in the event of any threatened or actual violation of any or all of the provisions. Subject to the terms of this Agreement: (i) Discloser may request the return of Confidential Information; (ii) or upon termination or completion of the Agreement or any Online Services, Recipient will either return (if technically feasible to do so) or destroy the Confidential Information and upon request of Discloser, will certify such destruction. Notwithstanding the foregoing and provided that such information is protected in accordance with the terms of this Agreement, the Recipient may continue to maintain copies of Confidential Information: (i) that is included in its data backup, which will be destroyed in accordance with the Recipient's data retention policies; or (ii) as required to comply with applicable law, which will be destroyed when such obligation is met.
