

# **Procurement business process outsourcing: There's strength in numbers**

## Transcript

TITLE: There's strength in numbers.

TITLE: \$402B spend managed annually  
Clients tap into our spend management data, tools and intelligence to make better informed decisions.

TITLE: 100M+ transactions processed annually  
Clients benefit from our deep experience in handling a variety of transactions -- and minimizing leakage.

TITLE: 134K contracts managed annually  
Clients get access to best-in-class category terms and conditions (T&Cs).

TITLE: 45K projects managed annually  
With real-time market intelligence clients have a pulse on marketing inputs driving pricing and terms.

TITLE: 17,420+ source-to-pay professionals  
With 1,710 category & sourcing experts, clients have access to our highly specialized experts.

Right now, 690+ Procurement BPS clients are part of an ecosystem of leading companies across industries and geographies.

That's a SUPER POWER.
