

PREPARING THE NEXT GENERATION FOR A DIGITAL FUTURE

Video Transcript

What ways does your brain work?

Are you a thinker and a tinkerer?

A take it apart-er, 'can't wait to start'-er?

Do you like diving in, or planning every step?

Do you dream it, then do it?

Sketch it out or talk it through.

Lone wolves and leaders of the pack.

Makers, creators, connectors, storytellers.

It takes all sorts of people, ideas and technology to change the world. And that's what we do together at Accenture.

We've helped deaf and hard of hearing students feel music.

Used AI to help save coral reefs and helped the girl scouts keep track of their cookie sales!

We're using technology and imagination to do amazing things together.

And we all started off dreaming, just like you.
