

# INCLUSION & DIVERSITY: MOYIN KOIKI'S IDENTITY STORY

## VIDEO TRANSCRIPT

**Text on screen** How we do anything is how we do everything. My ID minute. Moyin Koiki.

**Moyin** [00:00:14] I see myself as a very practical kind of person. I truly believe that everything I know now is because I learned it from somewhere else. I just keep coming back to this whole point that my identity and I think other people's identities, they're made up, right? We make them up because we are trying to understand how we fit into the world and how we survive. Some of it has been made up for me, like my nationality. I can't change that but I can change how I react to it.'
