

FUTUREOFU: SKILLS. JOBS. GROWTH FACILITATING RETURNING TO WORK

VIDEO TRANSCRIPT

Welcome– to the next step in your career journey. FutureofU: Skills. Jobs. Growth. will provide you the resources and support you need to find an open role and get paid while you learn new skills.

We are working with companies who want to accelerate equitable skilling and meaningful employment for all and find great candidates for critical roles.

Are you ready to begin your new digital career? Then let's get started!

The My Journey page is your home base for FutureofU, On the left bar you can monitor your progress though out the journey, more content and features will unlock as you progress.

Featured roles are listed on the right side that companies are currently hiring for and committed to paying you while you learn the skills necessary to be successful in your new job.

Getting Started – watch the short videos in this section at your own pace. You will be introduced to or refreshed on digital topics to get a baseline. When you finish the videos, “Find your future” and “Ready yourself for the journey” will unlock!

Next, click Get Started in the Find Your Future section to begin the career matching process powered by The Mom Project. Once there, build a talent profile and create or upload your resume in the tool. You can browse the marketplace for jobs and access helpful resources. Based on your profile, The Mom Project will find the best roles offered by the participating companies.

While you wait for matches, Ready yourself for the Journey. Go to the My Journey page to access resources to reinvent your personal brand curated especially for the FutureofU journey from BetterUp, a mobile-based platform for personal growth and professional development.

Through the Mom Project site, you will apply to FutureofU: Skills. Jobs. Growth. positions offered by participating companies and interview. If you accept an offer - your journey continues!

You will become an employee of your new company and launch into the right learning path, curated for you by one of learning collaborators, Guild or Pluralsight. , You will still have access to all of the resources on FutureofU, with added elements unlocked along the way.

We believe that this this is the start of something great, and we welcome you to join us today!
