I. PURPOSE

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Accenture plc (the “Company”) shall discharge the Board’s responsibilities with respect to oversight of the following:

- (i) The quality and integrity of the Company’s accounting and reporting practices and controls, and the financial statements and reports of the Company;
- (ii) The Company’s compliance with legal and regulatory requirements;
- (iii) The independent auditor’s qualifications and independence; and

II. COMPOSITION

The Committee shall be comprised of three or more members of the Board, each of whom shall be determined by the Board to be “independent” under the rules of the New York Stock Exchange and any other applicable listing or legal requirements, including the more rigorous independence requirements applicable specifically to audit committee members. No member of the Committee may serve on the audit committee of more than three public companies, including the Company, unless the Board (i) determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and (ii) discloses such determination either on or through the Company’s website or in the annual proxy statement.

All members of the Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Committee shall be an “audit committee financial expert” as defined by the Securities and Exchange Commission. Unless a chairperson (the “Chairperson”) is elected by the full Board, the members of the Committee shall designate a Chairperson by majority vote of the full Committee membership.

The Chairperson shall be entitled to cast a vote to resolve any ties. The Chairperson will chair all regular sessions of the Committee and set the agenda for the Committee meetings. In the absence of the Chairperson of the Committee, the Committee shall select another member to preside.

The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate. Such delegated authority shall include, without limitation, the authority to grant pre-approvals of audit and permitted non-audit services; provided, that decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.

III. MEETINGS

The Committee shall meet at least four times annually, or more frequently as their responsibilities dictate. As part of its job to foster open communication, the Committee shall, at least annually, meet separately with members of management, the director of the internal audit department, the general counsel and the independent auditors to discuss any matters that the Committee or any of these groups believes should be discussed privately. In addition, the Committee shall meet with the independent auditors and management quarterly to review the Company's financial statements and reports consistent with Section IV below. Meetings of the Committee may be held at any time in person or by such electronic means as to permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously.

All non-management directors who are not members of the Committee may attend meetings of the Committee but may not vote. The Committee may invite to its meetings any director, management or other personnel of the Company, or any third parties, as it deems appropriate in order to carry out its responsibilities.

IV. RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities. The Committee may carry out additional functions and adopt additional policies and procedures as may be required or appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that it deems appropriate.
