

ACCENTURE LABS SOPHIA ANTIPOLIS – SHAPING THE FUTURE

VIDEO TRANSCRIPT

Our 70 labs around the world, incubate and prototype new concepts through applied R&D projects.

Welcome to Accenture Labs in Sofia Antipolis. Where our dedicated team of technologists and researchers work with to invest in, incubate and deliver breakthrough ideas and solutions.

Come visit us and explore the potential of new technologies. Thanks to our unique dedicated space, take a step back and imagine how these opportunities can apply to your business.

Adopt a design mindset and human-centered methods, and follow our innovation hub design thinking coaches who will help you materialize ideas and concepts to solve problems, frame opportunities, and achieve innovation.

Finally, bring your innovative ideas to life with our liquid studio and leverage rapid prototyping techniques to come up with a first prototype or minimum lovable product in a few days or weeks.

Are you ready to turn digital disruptions into opportunities and reinvent your business? We look forward to shaping the future with you.
