

CELEBRATING BOUNDARYLESS ABILITIES

VIDEO TRANSCRIPT

Hi, I'm Sadaf Khan. Working in Accenture is honestly a dream come true because I always aspired to be part of Accenture's inclusive culture - where everyone is equal and valued for their unique skills and ingenuity.

Accenture has delivered on this promise right from a very first experience. I was pleasantly surprised when the leadership took notice of my messages on LinkedIn and responded to me personally with utmost warmth.

Honestly, being sightless was not seen as a barrier at all. The entire recruitment process of mine was handled with utmost sensitivity towards my needs.

Today, I am proud to be working as a Recruiting Senior Analyst - pursuing a barrier-free career.
