Store of Tomorrow

Commerce is shifting

Online Merge Offline

Unifying tomorrow’s:

Technology
Design
Automation
Data
Media

To reinvent the shopping experience

...to boost profitability

...to give the workforce new purpose

...and to accelerate sustainability.

[The Promenade]

[The Darkstore]

[The Aisles]

Hospitality and fresh food court in Singapore?

Authenticity and local market in France?

Personalization and convenience in the US?

Store of Tomorrow

Grocery Store

Home Improvement & DIY Store
