MAINSTREAMING  
AWARDS**

## VIDEO TRANSCRIPT

2022 is an exciting year for the Gender Mainstreaming Awards, being in its 10th year. When we look at the growth of the Awards over the past 10 years it is clearly noticeable as to what the impact has been. More entrants, more judges and a wider geographic footprint has resulted in the Gender Mainstreaming Awards currently being the premier awards in Africa relating to gender matters within the business environment.

Anchored for the second year by Accenture, supported by RCL Foods and managed by the founders Business Engage, the Awards give both businesses and individuals throughout Africa the opportunity to showcase their gender positioning to their stakeholders. Previous winners include such enlightened organisations such as Barloworld, Vodacom, EY, RMB, TigerBrands and East African Breweries.

Applications are now open for the Awards which are held in September each year. For more information or to submit an entry go to [www.genderawards.com](http://www.genderawards.com). Entries close 31 May 2022.
