Accenture to Enable Hess Corporation's Transition to the Cloud

Video transcript

September 2016:
Hess Corporation, a leading independent energy firm has chosen Accenture to help realize its As-A-Service vision, part of the Hess IT transformation strategy.

The new cloud-enabled operating model can ramp up or down IT infrastructure and digital technologies during volatile industry cycles.

“We believe this model can help us be more efficient, agile, capable and secure by giving us important

capabilities that use the latest digital services and technologies” *Zhanna Golodryga*, Senior Vice President of services and CIO at Hess Corporation.

This is the future of energy.
