MILLENNIAL CONSUMER

Bazzoole Ltd.

Next three to four years we hope to become the leading influencer marketing platform worldwide

SKINSAFE

You’re comfortable in Skinsafe, because we’re going to be there

MILLENNIAL DRIVER

Smartglyph Technologies

One piece of advice I would give to someone who’s in a start-up is, “listen to advice”

Smartstory Technologies

Murphy’s law of relevant start-ups, “identify, fix it and move on”

Zego Ride Sharing

MILLENNIAL SHOPPER

Banter Inc.

You know, persistence and being good to others is probably what I

focus on the most.

Virtualapt Corp.

Every business has ups and downs, be willing to pivot when there’s something that’s either better or that’s telling you that you need to.

Outernets

MILLENNIAL TRAVELER

Filo, The Global Airport App

Let’s ship something, that’s going quickly, that’s going better, so once we’ve shipped it we can user test it. So let’s just move on to the next thing as fast as we possibly can.

Visit.org

Making sure that all our partners,

do-good organizations are happy.

Digitalgenius

Bring people on board that are incredibly capable, talented and excited. Equally as enthusiastic as you are about solving challenges in the world. And doing it through a technology company.
