

# HOUR OF CODE – AMANDA KAUFMAN

## VIDEO TRANSCRIPT

### **Amanda Kaufman** **Senior Manager,** **Accenture Strategy**

I've always tinkered with computers, clocks, alarms, cell phones.

I took all the science classes and all the math classes.

At 21, I earned my "iron ring" becoming an engineer in Canada.

I wanted to be a boss someday.

Now I'm a Mom, a boss, and a strategist who started as a chemical engineer!

STEM girls, focus with passion on a topic that thrills you.

Take an Hour of Code to #DreamForward
