The movers
and the shakers
The game-changers
Who dare to challenge the status quo.

One person
can spark a movement...

One company
can unleash champions of change
that empower an entire community.

Globally
we’re leading the way
With our Enterprise and Supplier Development
(ESD) Programme
We provide black-owned IT businesses with
Mentorship
Executive training

Collaboration

increasing diversity
in our supply chain
and the economy.

It’s about more than checking boxes.
It’s the smart and the right thing to do.

Each of us is greater than a statistic.
Greater than a title
Greater than a check box.
