00:01

if your customer shifts can your

00:04

business shift with them can it react to

00:07

their wants is it responsive to their

00:09

needs by continuously adapting a

00:14

business will always have opportunity

00:16

that's living business and we're helping

00:19

companies become living businesses every

00:22

day
