

INNOVATING AND LEADING IN A DIGITAL WORLD

VIDEO TRANSCRIPT

From Digital, Predictive Analytics and Industry X.0

To increasing applications for Artificial Intelligence

We're in the midst of the biggest transformation ever, in the history of technology

One that will impact business like never before

One that's changing our lives

The opportunity is to make your system of record more intelligent

And to innovate by integrating new technologies

To unlock new value and new outcomes

Accenture co-develops SAP S/4HANA and SAP Leonardo

Our Liquid Studio builds new digital solutions

With speed, agility and at scale

To power the digital enterprise

Accenture and SAP

Innovating and leading in a digital world
