

# THE PULSE OF PENSIONS

## VIDEO TRANSCRIPT

### **Accenture Public Service – Pensions, “Pulse of Pensions”**

Nearly 80% of people say pensions persuade them to accept a job offer, and seventy-three percent say they persuade them to stay. But there's work to do.

Although most people feel they will have enough money saved to retire by age sixty-five, only one in ten feel they have enough to retire now. People want to know more. They want to see new ways of getting information. They think of retirement as their next career, and they want help to plan for it. Yet when many are being let down.

It's time to go digital to mine the data, and let people access pension advice in the same way they access their photos: personalized, powerful, valuable.

It's time to connect with your members the way they want you to. Find out more about digital retirement coaching, and transform your way of working.
