

FEDERAL FINANCE REIMAGINED

After years of moving beyond traditional back office duties, CFOs and finance departments are positioned to be powerful digital guardians who use data to drive value, improve efficiency and enable strategy for federal agencies.

Whether at the forefront of this change, or an agency catching up to current trends, you need a trusted partner to help you understand the evolving financial environment.

Federal CFO & Finance Leadership Priorities

Drivers Powering Government Finance Transformation

DIGITIZING FINANCE & HARNESSING THE POWER OF DATA

Finance organizations shift from process-focused model into customer-centered insight engine comprised of strategic business partners, analytics competency centers, and integrated business services.

REIMAGING THE FINANCE WORKFORCE

Finance workforce develops skills beyond spreadsheet manipulation and data input to include business partnering and value. Reduction in mundane work, competency development and career pathways reinvigorate workforce.

LEADING THE ENTERPRISE THROUGH DIGITAL TRANSFORMATION

Complex legacy systems are modernized. Cloud-based platforms, analytics engines and AI enable automation, insight and predictive forecasting. Self-service data analytics tools empower organizations to get real-time answers.

Organizational change becomes much easier when you partner with the right organization.

ACCENTURE: Your Partner for Financial Innovation

Reimagining your financial organization is not enough. You must also implement your new vision. This requires commitment, creativity and a partner that sees your vision, knows your current reality, and also knows what's possible and can guide you to ambitious-yet-feasible results.

Accenture is that partner.

Our unparalleled experience in commercial and public sector finance transformation sets us apart.
