CURIOUS

In conversation with
Dimitris Bountolos
Chief Information and Innovation Officer
Ferrovial

What one word describes you best?

I think it could be "curious". Curiosity—because I feel it describes me since birth I would say.

What is your approach to innovation? Can you highlight any groundbreaking initiatives?

Our approach is conventional and unconventional at the same time—probably to be conventional from the perspective of the sector, unconventional from the sector we are particularly split of our action in three horizons is key.

What inspires you the most?

Well, it's inspiring to visualize the change. We belong to a sector where have a very evident impact at the society level.
