

# MICROSOFT AND ACCENTURE

CONQUERING THE GLOBAL PAYROLL 'MISSION IMPOSSIBLE'

## MICROSOFT TEAMED WITH ACCENTURE TO REINVENT ITS APPROACH TO PAYROLL

Introducing automation and globally standardized practices, the two worked together to reduce complexity, streamline processes, strengthen controls and reduce data accuracy concerns.

Now Microsoft has OnePayroll

## BY THE END OF JANUARY 2018, ONEPAYROLL WAS MANAGING THE NEEDS OF:

 **43,000+**  
EMPLOYEES

 **88**  
COUNTRIES

 Operating in  
**15**  
LANGUAGES

 While harmonizing more than  
**6,200**  
PAYROLL PROCESSES

 Handling on average  
**2,900**  
EMPLOYEE INQUIRIES  
PER MONTH

 Preventing overpayments and underpayments (so far) totaling more than  
**\$10 MILLION**

The unprecedented initiative **improved employee ability to interact with payroll.**

## THAT'S THE ONEPAYROLL PROJECT

And that's how Microsoft and Accenture turned the 'impossible' into opportunity.
