

TRANS-TASMAN INNOVATION & GROWTH AWARDS

An ANZLF showcase of stories focused on the innovation, collaboration and growth across Australian and New Zealand emerging businesses.

Has your company beaten the odds to scale successfully and now wants to propel to the next level?

The Australia New Zealand Leadership Forum (ANZLF) is on the hunt for Australia and New Zealand's most inspiring business growth stories.

Let us shine a spotlight on your emerging business to show the real impact you are making through innovation and collaboration.

We are looking for companies that can exhibit the following:

Collaboration – Your company can showcase an ability to work positively and in innovative ways across a diverse ecosystem.

Growth – Your company can share a growth story that includes impressive business results and lessons learnt.

Talent and Wellbeing – Your company has a creative approach to growing, sourcing and developing your people. You place a strong emphasis on well-being and team culture.

Funding Approach – Your company can share a unique way of sourcing funding from organisations in the private and public sector.

Environment and Social Impact – Your company can demonstrate a positive social and environmental impact through your business operations and initiatives

A unique prize package is being offered to **four** winners and includes:

Cash Prize of \$25,000 AUD

An invitation to the ANZLF Annual Celebrations Dinner for the announcement of the awards, as well as the ANZLF Annual Forum

An invitation to the exclusive Winners Summit – one-of-a-kind collaboration and networking opportunities
