

# MEET YATHEESHA, RELENTLESS, DETERMINED AND A TRUE CHAMPION!

## VIDEO TRANSCRIPT

If you think you'll lose, you're lost  
For out of the world we find,  
Success begins with a fellow's will  
It's all in the state of mind.  
Life's battles don't always go  
To the stronger or faster man  
But sooner or later, the person who wins,  
Is the person who thinks he can!

**Muscular dystrophy**—two words that changed my life forever.

Hi, I am Yatheesha. At the age of 18, I was diagnosed with muscular dystrophy.

I underwent a stem cell treatment in 2017, but became completely wheelchair-dependent soon after.

**Yatheesha suffered from depression with this sudden dependency on a wheelchair.**

Then...Life took a U-turn.

I came to know about Accenture's 6-month **Inclusive Internship Program**. The program gave me good understanding of corporate culture and taught me business etiquettes.

After the completion of the program, I was offered a role at Accenture's Global Mobility Team—and here I am.

**Accenture's Inclusive Internship Program is conducted exclusively for persons with disabilities.**

My supervisor has made special arrangements for me to move around the office.

Any assistance I need is just a call away.

**Yatheesha is provided medical cabs with door-to-door pick and drop.**

I've experienced our core value of "Respect for an individual" first-hand. And I am truly grateful.

Accenture is all for diversity—it helps us **innovate.**

**Yatheesha actively leverages Accenture's myLearning tool to keep himself abreast with the latest innovations.**

I enjoy playing wheelchair sports, specially cricket. My team has always encouraged me to continue my practice and participate in different events.
